HOLMER GREEN JUNIOR SCHOOL

ATTENDANCE POLICY

Written	Adopted by Governors	Review date	Responsibility
NOVEMBER 2025	JANUARY 2026	JANUARY 2027	COG/Head

We inspire, we enable, we achieve. Together.

Aims and objectives

At Holmer Green Junior School, we believe that improving attendance is everyone's business and that providing a calm, orderly, safe and supportive environment where all pupils want to be and are keen and ready to learn is the foundation of securing good attendance. Working together to put the right support in place at the right time, in conjunction with all staff in school, parents/carers, pupils, Buckinghamshire Council and other local partners, we aim to remove any barriers to attendance by building strong and trusting relationships.

Regular attendance is fundamental to the future success of children. We expect pupils to be in school for every session of the school day and for every day that the school is open.

Our objectives are to promote good attendance, ensuring every pupil has access to the full-time education to which they are entitled. By acting early to address patterns of absence we aim to reduce absence, including persistent and severe absence.

The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school.

Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on school attendance parental responsibility measures. These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) Regulations 2007, as amended](#)
- [The Anti-Social Behaviour Act 2003](#)
- [The Education \(Information about Individual Pupils\) \(England\) \(Amendment\) Regulations 2024](#)

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

We inspire, we enable, we achieve. Together.

School processes for recording attendance and absence

We will keep an electronic attendance register and place all pupils onto this register.

We will take our attendance register at the start of each morning session of the school day and once during each afternoon session. It will mark whether every pupil is:

- Present
- Absent
- Clear notes will be made, giving the reason for a child not attending school

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

————— ***We inspire, we enable, we achieve. Together.*** —————

We will also record:

- Whether the absence is authorised or not by using the appropriate national attendance and absence codes from regulation 10 of the School Attendance (Pupil Registration) (England) Regulations 2024
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

Pupils must arrive in school by 9:05am on each school day.

The register for the morning session will be taken at 9:00am and will be kept open until 09:05am. The register for the afternoon session will be taken at 13:30 and will be kept open until 13:35.

Absence

The pupil's parent/carer must notify the school of the reason for an unplanned absence on the first day by 9:00am or as soon as practically possible by calling the school.

Parents/Carers must call the school office, leave a message on the answer machine or send an email to the office email address. office@hgjs.co.uk

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

We will require evidence of any medical appointments.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied with the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

A pupil who arrives late:

- After the register has closed at 9:05am will be marked as absent (Code U)

Planned absence

- Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

Parents are advised where possible to make medical and dental appointments outside the school day. Where this is not possible, pupils should attend school for part of the day. Parents should show the appointment card to school.

We inspire, we enable, we achieve. Together.

- The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the Headteacher's discretion, including the length of time the pupil is authorised to be absent for.
- In **exceptional circumstances** parents may approach the school Governors via the Headteacher for a leave of absence. Any authorised absences for exceptional circumstances will be limited to ten days in any one academic year.

Legal sanctions

HGJS will consider requesting Buckinghamshire Council issue a fine to parents/carers for the unauthorised absence of their child from school, where the child is of compulsory school age and the national threshold has been met.

Fixed penalty notices are issued in accordance with the Local Authority Penalty Notice [Code of Conduct Code of conduct for issuing penalty notices for unauthorised absence from school | Buckinghamshire Council](#)

If issued with a fine or penalty notice each parent/carer must pay £80 (per child) if paid within 21 days rising to £160 thereafter. If not paid within 28 days, the Local Authority can decide whether to prosecute or withdraw the notice – note there is no right of appeal in court by parents/carers against a fixed penalty notice. The national framework for penalty notices sets out that a maximum of 2 penalty notices per child, per parent/carer can be issued within a rolling 3-year period (the second one being payable at £160 with no option to reduce fine by making payment earlier). If the national threshold is met for a third (or subsequent) time within 3 years, the Local Authority will consider prosecution through the magistrates' court under Section 444(1) of the Education Act 1996.

In Education Law (Section 576 of the Education Act 1996) 'parent' means:

- All natural parents, whether they are married or not
- Any person who has parental responsibility for a child or pupil
- Any person who has care of a child or pupil i.e., lives with and looks after the child

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and where possible, at least 4 weeks before the absence, and in accordance with the school's leave of absence request form accessible here [Holmer Green Junior School - Key Forms \(juniperwebsites.co.uk\)](#). The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Participating in a regulated performance or undertaking regulated employment abroad (Code C1)
- Attending a medical or dental appointment (Code M)

————— *We inspire, we enable, we achieve. Together.* —————

- Attending an interview for employment or for admission to another educational institution (Code J1)
- Studying for a public examination (Code S)
- Non-compulsory school age pupil not required to attend school (Code X)
- Compulsory school age pupil subject to a part-time timetable (Code C2)
- Exceptional circumstances (*see definition above*) (Code C)
- Parent travelling for occupational purposes – The pupil is a mobile child and their parent(s) is travelling in the course of their trade or business and the pupil is travelling with them. A mobile child is a child of compulsory school age who has no fixed abode and whose parent(s) is engaged in a trade or business of such a nature as to required them to travel from place to place (Code T)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart (Code R)
- Illness (Code I)

Procedures following unexplained absence

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the Headteacher will visit the pupil's home address to try to ascertain the reason for the unexplained absence.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary.

Attendance data monitoring, reporting and analysing

The school will:

- Regularly inform parents of their child's attendance levels in writing.
- Monitor attendance and absence data every half term across the school and at an individual pupil level
- Identify whether there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average and share this with the governing board.

————— ***We inspire, we enable, we achieve. Together.*** —————

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- Provide regular attendance reports to teachers other school leaders including the SENCO, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance
- Formalise support or use legal sanctions, in conjunction with Buckinghamshire Council, for example through using a parenting contract, engagement with social services, Education Supervision Order or consideration of attendance prosecution in the Magistrates Court

Our process for managing absence is as follows:

Stage	Threshold	Intervention
1	Attendance above 95%	<p>Universal Support</p> <p>This is the support all children receive to inform them of attendance expectations and to support their regular attendance. This includes class teacher discussions, headteacher communications at the gate every morning etc.</p>
2	Attendance below 95%	<p>A phone call home will be made to notify you of our attendance concerns.</p> <p>A member of staff will communicate with you about</p>

		<p>your child's attendance.</p> <p>Monitoring to take place to see that attendance has improved.</p>
3	Attendance below 90%	<p>A letter is sent home to notify you of our continued concerns.</p> <p>This letter will contain information relating to absences and will signpost support to increase attendance.</p> <p>Monitoring to take place to see that attendance has improved.</p>
4	Attendance not improving	<p>All adults to be invited into school for a formal parenting contract meeting.</p> <p>The purpose of this meeting is to formally identify any barriers leading to the poor attendance of a child. Targets will be set during this meeting which will be reviewed in 4-6 weeks.</p>
5	Review of meeting	<p>All adults with parental responsibility will be invited into school for a formal parenting contract review. The outcome of this review could be as follows:</p> <ul style="list-style-type: none"> • Attendance has improved therefore the case is closed. • Attendance hasn't improved – continue the contract • Attendance hasn't improved – referral to LA.
6	No improvement in attendance	<p>A referral will be made to the local authority for statutory support in the event of continued low attendance.</p> <p>If all of the prior intervention does not lead to improved attendance, we will seek further support from the local authority.</p> <p>It is important to note that our school does not benefit financially from fixed penalty notices.</p>

Children missing in education

Where an unexplained absence remains unexplained after day 1, we will formally risk assess the absence and take steps to contact parents via alternative means. This includes contact to all numbers from school.

If the family are still unobtainable on the second day, a home visit will be made by the headteacher.

Where we are unable to reach the parents and/or have sight of the child, we will refer to the local authority's children missing in education team who will then investigate further.

Whilst the local authority requests this information on day 10 of absence, we seek to send this by day 5. We continue rigorous first day response following a referral until the child is located and/or the local authority confirm removal from roll.

The school follows the local authorities' procedures for ensuring that children who are at risk of missing in education are given the appropriate, prompt support to identify their whereabouts and safeguard their welfare. We also maintain a list of children 'at risk of CME' where additional specific provision is put in place in the case of absence.

Legal sanctions

The school must consider requesting Buckinghamshire Council issue a fine to parents for the unauthorised absence of their child from school, where the child is of compulsory school age and the national threshold has been met. Fixed penalty notices are issued in accordance with the Local Authority Penalty Notice Code of Conduct [Code of conduct for issuing penalty notices for unauthorised absence from school | Buckinghamshire Council](#)

If issued with a fine or penalty notice each parent must pay £80 (per child) if paid within 21 days rising to £160 thereafter. If not paid within 28 days the Local Authority can decide whether to prosecute or withdraw the notice – note there is no right of appeal in court by parents against a fixed penalty notice. The national framework for penalty notices sets out that a maximum of 2 penalty notices per child, per parent can be issued within a rolling 3-year period (the second one being payable at £160 with no option to reduce fine by making payment earlier). If the national threshold is met for a third (or subsequent) time within 3 years, the Local Authority will consider prosecution through the magistrates' court under Section 444(1) of the Education Act 1996.
