

# HEALTH AND SAFETY STATEMENT FOR SCHOOLS

**NAME OF ESTABLISHMENT:** Holmer Green Junior School

## **STATEMENT OF INTENT:**

This policy and its supplements should be read in conjunction with the Buckinghamshire Council Health and Safety Policy. It sets down the local organisation and arrangements established by the governing body to implement that policy.

The Governing Body of Holmer Green Junior School is committed to high standards of health, safety and wellbeing and will take all reasonable steps to meet its responsibilities under the Health and Safety at Work Act, the Management of Health and Safety at Work Regulations, other relevant health and safety legislation and the Regulatory Reform (Fire Safety) Order and also to ensure that the Council's health and safety policies and procedures and other documentation listed below are implemented with regard to the provision of:

- a safe and healthy working environment with adequate control of health and safety risks arising out of the school's activities;
- an effective local organisation within the school to implement the policy;
- full and effective consultation with employees on matters affecting their health and safety;
- effective communication throughout the school on health and safety matters;
- competent specialist advice on health and safety matters when this is not available in the school;
- sufficient information, instruction and training for staff on health and safety;
- staff who are competent to carry out their work to meet their health and safety responsibilities and have been provided with adequate training and development to do this;
- the effective management of contractors;
- the effective monitoring and review of the implementation of the health and safety policy and health and safety performance.

## **Responsibilities of the Governing Body**

The Governing Body recognises its responsibilities as set out in the Local Authority's scheme of delegation and will endeavour to ensure that the local authority's policy is implemented with regard to its responsibility for:

- Complying with the Council's Health and Safety Policy, Organisation and Arrangements;
- Formulating and ratifying the establishment's Health and Safety Statement and Health and Safety Plan;
- Regularly reviewing health and safety arrangements (at least once annually) and implementing new arrangements where necessary;
- Ensuring that the site and premises is maintained in a safe condition and that appropriate funding is allocated to this end from the school's delegated budget;
- Ensuring that risk assessments are made and recorded of all the schools work activities including those off site which could constitute a significant risk to the health and safety of employees or other persons;

- Ensuring that the statement and other relevant health and safety documentation from the Local Authority is drawn to the attention of all employees;
- Prioritising action on health and safety matters where resources are required from the establishment's budget, seeking further advice where necessary and ensuring that action is taken;
- Reporting to the Local Authority any hazards which the establishment is unable to rectify from its own budget;
- Seeking specialist advice on health and safety which the establishment may not feel competent to deal with;
- Promoting high standards of health and safety within the establishment;
- Ensuring active and reactive monitoring of health and safety matters within the school including health and safety inspection reports and accident reports;

The Governing Body requires the support of all staff to enable the maintenance of high standards of health and safety in all the schools activities.

This Statement includes a description of the establishment's organisation and its arrangements for dealing with different areas of risk. Details of how these areas of risk will be addressed are given in the arrangements section.
