Dear Parents and Carers,

Welcome to Holmer Green Junior School from the Junior School Association (JSA). We hope that your child will enjoy the time that they spend here.

As you are more than likely aware, the school budget does not always make provision for the 'extras' that contribute to a rounded education and to this end the Junior School Association organise a variety of social events to raise funds for various projects and items to benefit the children requested by the school.

How can you help?

You can support the events that are held to raise funds. You could give us some of your time by joining the helpers' list or you could become a Committee member which involves one meeting a month, usually on a Tuesday evening, lasting for about an hour. If events aren't your thing, there are other ways in which you can help. There is the School Lottery. If your company is able to donate a raffle prize or if you are able to help wrap gifts for fayres before the event. When possible, we offer hot food to the children 2 days a week.

Please consider contributing – it can make a difference to the enrichment of your child's education.
