

Dear Parents/ Carers

The weather today has taken a turn for the worse and it definitely feels like Autumn. Thank you for your continued support with the staggered start and finish times, particularly given the current weather. Your positivity is greatly appreciated.

Our September value

While it is now October, this our last week of celebrating our value of positivity with our stars of the week smiling through challenges. We all face challenges but how we manage these challenges can be different. All of our stars this week have been positive when finding things tricky. Well done.

Democracy week

Democracy week is one of my favourite weeks of the year because it shows me how much the children care about their school. Every child who has put themselves forward for a role has shown positivity and bravery and I am proud of all of them. Congratulations to the following children for being elected as house captains, school councillors, eco-warriors and kindness ambassadors. I am sure you will all do an amazing job.

Walk to school week

Below is information about walk to school week that is taking place next week. We hope you will be able to support your child with taking part in this initiative. Thank you.

JSA information

Attached with this newsletter is information from our JSA. Our school would not be all it is without the support and efforts of our parent community and the JSA do a fantastic job of raising money and providing events for us all to enjoy. I hope you will be able to support them and, as a consequence, your child, during this year.

Parental feedback and stationery stickers

Following my newsletter last week, a parent suggested that information about missing or depleted stationery be put into the children's planners. To this end we have created stickers that the children can place in their planners showing which items they need. I hope this is helpful and thank you for the feedback.

Kind regards
Rebecca Campbell
Headteacher

Walk to School Week

Monday 5th October - Friday 10th October

Can you help your class win the Walk to School Cup for the first time this year?

Can you make a special effort to walk to school every day for a **WHOLE** week?

For the week of **Monday 5th October** to **Friday 10th October** we are taking part in **Walk to School Week**. During this time we would like everyone to make a special effort to walk to school for at least one day out of the five, if not all of them.

For every day that you walk you will get a special green walk to school sticker and hopefully discover how great walking to school is for you, your family and our environment!

Remember walking to school on a daily basis not only helps you:

- exercise, which reduces stress, preparing you for the day ahead;
- learn and use navigational skills;
- learn and use time management skills;
- have time away from technology;
- have time to chat with your friends

and of course helps you protect the environment!

We look forward to seeing you walk to school, not only during Walk to School Week but also on everyday of the week!
