

29 January 2021

Dear Parents/ Carers

I am sure that you have seen the announcement by Boris Johnson this week with regards to schools. At this point, schools will continue with their current arrangements until 8 March at the earliest. I know that the situation is challenging for all of us and we are all keen to have children returning to school but we will continue to provide our best remote learning for all children.

### ***Star of the week***

With the final week of January, this is our last week of reflecting on our value of commitment. It has been great to see the commitment that children and families have shown with remote learning. This week's stars of the week have been those who have shown loyalty to others. Thank you to the following children for your commitment and support.

Elm:	Ava Forsyth	Beech:	Isabel Price
Oak:	Charlie Tuffney	Larch:	Isabel Busler
Lime:	Haleema Hussain	Laurel:	Freddie Flint
Pine:	Paige Knight	Spruce:	Marley Smith
		Walnut:	Demi-Ann Appleby

### ***Registration***

Thank you for your support and patience as we have introduced registration sessions this week. It has been lovely to see the children, albeit remotely, and the staff have worked hard to make sure each session has been a success. I appreciate that this activity will be adding to your workload but I hope that you will agree that the children's enthusiasm has made any extra challenge worthwhile. I am attaching a copy of the rules and would ask you to remind your child about these over the weekend.

### ***Rest***

As most of us continue to work remotely during this lockdown, it is vital for us all to look after ourselves and our family's health and wellbeing. As I am sure you feel yourself, working remotely is draining and leaves us all tired. We have noticed that the children in school are becoming increasingly tired and are finding it more difficult to maintain concentration throughout the day. Thank you for supporting your child's learning with good bedtime routines and ensuring that your child gets between the 9 and 12 hours sleep advised by the NHS.

### ***Communicating with staff***

May I ask that when parents wish to communicate with staff they do this by email and not using their child's Seesaw account. The office email is checked throughout the day and messages will be passed on promptly. Thank you for your support in this.

Kind regards  
Rebecca Campbell  
Headteacher

# Teams

## Golden Rules

I will dress appropriately.

I will sit in a communal room in my home (not my bedroom).

I will make sure that an adult is nearby.

I will only use appropriate language.

I will not unmute myself and wait my turn to speak.

I will put my hand up when I want to speak and wait to be called on.

I will be kind and listen to other people.

I will not have a virtual background but I can blur my background.

I will pay attention and not eat or do another activity.

I will use my first name as my username.

I understand that if I break any of these rules, I will be removed from the Teams session by the teacher.
