

02 July 2021

Dear parents/ carers,

We have had a great week at PGL with Year 6 this week. The children have had a fabulous time and have made the staff proud with the way they have joined in with all the activities on offer and worked together to support each other. I am sure you have seen the news coverage this week about the potential arrangements for schools going forward. I will, of course, keep you informed of any changes to the guidance we follow.

Star of the week

I can't believe it is already July. With the end of June, we have been reflecting on our value of courage and our stars of the week are children who have shown that they believe in themselves. Congratulations to the following children for facing their challenges with self-belief.

Transition day

Next Tuesday, we will be holding our transition day at school and the children in the current Years 3-5 will find out who their new class teachers will be. A parent mail will be sent to parents in the afternoon to confirm the staffing for next year. I know that the secondary schools have contacted to explain the arrangements for remote transition and Year 6 children will need to be in school as usual on Tuesday unless their new school is doing this on 6 July. Would Year 6 parents ensure that their children come into school in their PE kit on Tuesday please?

French Market

On Tuesday 13 July, each year group will be visiting the French market at school. Further details will be sent out next week but you may wish to help your child practise their French vocabulary ready for this. A list of words they might need are detailed below.
